SATS

This year the Year 6 SATs will take place from Monday 13th to Thursday 16th May.

As we approach the SATs and during SATS week we would be especially grateful for your support. It is important to make sure the children go to bed at a reasonable time to ensure a good night's sleep and that they arrive at school punctually, ready for the SATs tests to begin. Full attendance during SATS Week is essential.

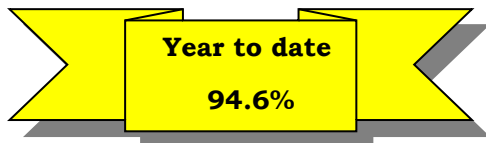

A good breakfast will help the children to concentrate and to help the week run smoothly we will be holding a SATS Breakfast Club from Monday 13th - Thursday 16th May. On these days the Year 6 children will need to be in school earlier than usual in order for us to ensure they are registered in time for the tests to begin. The children need to be at school for 8.15am so that they can have some breakfast if they choose, meet their friends and relax before the tests begin.

The children have all worked really hard to prepare and we wish them the very best of luck with the SATs.

Easter Raffle - Well done to all those who won prizes in our Easter Egg Raffle and thank you for your support in buying tickets. The wonderful amount of £338.45 was raised for school funds.

We are sorry to say that our overall attendance percentage has fallen well below our target. Holidays and medical appointments in term time impact badly on our attendance and learning and we would ask for your support to ensure these are booked out of school time wherever possible.

We would like to say well done to the following classes who have the best attendance to date

Class 17 - 97.6%, Class 7 - 97.4% and Class 11 - 97%

Well done to the children (and their parents!) in these classes for their super attendance.

Let's challenge ourselves to improve our percentage attendance before the end of this school year.
