Friday 20<sup>th</sup> March 2020

Dear Parent/Carers

What a week! I don't think any of us really saw this coming or thought that we would be shutting the school like this. Not even snow has forced us to do that!

So tonight, school has had to shut for the foreseeable future. At this stage, there is no indication of how long we will have to remain shut, but we will endeavour to keep you up to date with developments through the website, text and twitter.

As identified by the government, a small number of children will be in school so that the country can keep functioning and keep everyone safe. As a school we will try to keep this running for as long as it is possible.

All children have been set up on Google classroom and although there may be some teething problems, we will try our utmost to sort these out. Wherever possible work has already been sent home. While we would encourage our children to access this learning, we also appreciate that some of you may have other commitments that will take precedence. In the coming weeks, the main thing is that people stay safe and take care of each other.

Key staff can be contacted through the school office and please do not hesitate to reach out to us. We will do whatever we can.

Thanks for all your support. Stay safe.

*G. Horner*

Mrs G. Horner  
Headteacher
