

# Quick News

9th October 2020

## Staffing news

From Monday 12<sup>th</sup> October Miss Clark will be moving to Year 2 and Miss Poulter will move to Year 3. Mrs Storr will be moving to reception to work alongside Miss Hartley with Mrs Kauser providing additional support within Early Years. Mrs Bycroft will be working with Miss Hutton in the Inclusion team and Mrs Patel will move into Year 2.

Mrs Wilkinson (Lunchtime supervisor) will be retiring at the end of this half term and Mrs Schofield has also decided to retire at Christmas. Both members of staff have provided a long and dedicated service to the children and families at Warley Road and it is with our very best wishes that we sadly say goodbye.

## Closure of Reception Classes

THANK YOU for your understanding, care and patience yesterday when we were forced to close reception. We have home learning lessons which can be found on the school website. If you are struggling to access this resource you can collect a paper based pack from the School Office.

## Start and Finish times

Please accept my apologies over the confusion around start and finish times. These have changed. At present our main method of communication has been via the Text service. Please make sure we have your up to date phone number and let us know if you have changed numbers. The website is being update and Mr King (I.C.T lead) is in the process of developing the Warley Road App, which will be free to download and contain all the information you need. The App will be updated weekly to ensure you receive the correct information in a timely manner. At this point all children should start at 8.50am. Years R- 2 finish at 3.05pm and Year 3-6 finish at 3.15pm. This will change after half term and external bells will be fitted to assist parents and carers in ensuring children start on time.

## Letter to Parents/Carers

**Over the next few days you will receive a letter with details of ParentPay. Please follow the instructions and activate your account as soon as possible. There is also a voucher for The Uniform Shop and we will text parents to advise when our new sweatshirts will be available in the shop.**

Have a lovely weekend, stay safe and please continue to support us in our efforts to keep Warley Road open for children. Hands Face, Space is the message we all need to remember and THANK YOU again to all those who wear masks during drop off and pick up times.
